Ford Sumner is excited to be starting 2019 with some big changes!

We have a new look!

After 13 great years with our foundation red and black branding, we decided it was time to review our branding.

Following our continued growth as a firm, it seemed like the right time for a brand refresh. We are excited to unveil our new look!

The new image, colour and style reflects the essence of our firm, Jaesen and Sarah's business partnership, our values and the future of Ford Sumner.

We've moved offices!

2018 was a big year for Ford Sumner, and with our growing team (more about new faces in coming editions of our newsletter) it was time to find some new office space.

We were lucky enough to move to the adjacent tower with a new refit negotiated and managed by long time supporter of the firm, Ian Cuff of Commercial Property Specialists Limited. Although we are still working on the finishing touches, feel free to pop in and see us!

You can find us at:

Level 7
Midland Chambers
45 Johnston Street
Wellington 6011

Our postal address remains the same (except for a new postcode):

PO Box 25299
Wellington 6140

We have a new website!

We are currently working on a new website to reflect our new branding and provide an updated user experience.

When it goes live, you'll find the new website more informative and useful as we will be bringing you plenty of helpful insights to keep you up to date with legal developments and the Ford Sumner team.

We have a new URL and you will find us at:

www.fsl.nz

For the next few weeks, while we complete the new website, you will be redirected to our old website.

We have new email addresses!

Along with the new website, we have nice, new, simple email addresses. The first part of our email address has not changed, it's just the extension, for example:

info@fs-lawyers.co.nz is now:

info@fsl.nz

Don't worry, if you accidentally send a message to one of our team using their old address, they'll still receive it.

We are sponsoring the Banana Boat New Zealand Ocean Swim Series!

We are proud to be sponsoring the Banana Boat New Zealand Ocean Swim Series.

In line with our Ford Sumner values and after giving some thought to our community involvement, we decided to get behind this series. It is a great initiative promoting health and wellbeing, community spirit and the environment.

As some of you may know, Jaesen is a keen swimmer and has been competing in the Ocean Swim Series for some years. Many of the Ford Sumner team have joined Jaesen in training and will also be competing in the Banana Boat Ocean New Zealand Swim Series.

Get in touch if you are interested in competing and we can give you a discount code for a race entry.

What hasn't changed is our great team and our commitment to our clients.

We look forward to working with you in 2019!
